

Enhanced Fax (E-Fax)

American Telephone Company's Enhanced Fax service is shaping the way companies of all sizes send & receive faxed documents. E-Fax makes faxing as easy as sending an email. Just open your email, compose, add your attachment and send. If privacy is a concern in your industry, e-fax is a great solution for your business.

Benefits

- Keep your fax private
- Send and receive faxes via email or online
- Save money by eliminating the cost of paper
- Turn up in days, not weeks
- Automatic back-up fax documents on your PC

Flexibility

- Add new E-fax accounts in days
- Set up fax groups or individual accounts

Savings

- Eliminate usage related charges
- Lower monthly recurring charges
